

STATE OF NORTH DAKOTA

PROCLAMATION

WINDOW FILM DAY

APRIL 30, 2022

WHEREAS, window film, when professionally installed on existing windows, aids in significant energy savings and the reduction of carbon emissions; and

WHEREAS, window film and the associated cost savings can have a significant impact during this period of high energy costs, supporting consumers and their ability to pay for utility services; and

WHEREAS, window film helps to screen out dangerous UV rays to help protect skin from cancer and eyes from glare; and

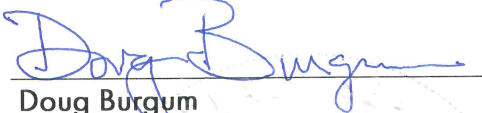

WHEREAS, window film provides job opportunities for people to serve their communities; and

WHEREAS, nearly 80 percent of all window film in the world is manufactured in the United States by leading companies and offers significant economic benefits at all levels; and

WHEREAS, window film helps both consumers and businesses to save money on their energy bills and reduce peak demand for electricity when utilities are most challenged.

NOW, THEREFORE, as Governor of the State of North Dakota, I do hereby proclaim
April 30, 2022, **WINDOW FILM DAY** in the State of North Dakota.
