Bulletin from Annual General Meeting in Smart Eye Aktiebolag (publ)

The following resolutions were passed at the Annual General Meeting (the “**AGM**”) of Smart Eye Aktiebolag (publ) (“**Smart Eye**” or the “**Company**”) held today on 2 May 2023 in Gothenburg, Sweden.

Adoption of Income Statement and Balance Sheet for the Financial Year 2022 and Discharge from Liability

The AGM adopted the income statements and balance sheets for the Company and the Group for 2022. The members of the Board of Directors and the CEO were discharged from liability for the financial year 2022.

Allocation of Profits

The AGM resolved that no dividend shall be paid for 2022 and that the Company’s available earnings shall be carried forward.

Election of Board Members, Auditors, Fees to the Board of Directors and Auditors

The AGM resolved that the number of members of the Board of Directors shall be seven without deputies and that the number of auditors shall be one registered accounting firm.

The AGM re-elected the Board members Anders Jöfelt, Lars Olofsson, Mats Krantz, Cecilia Wachtmeister, Magnus Jonsson and Eva Elmstedt and elected Tobias Sjögren as new member of the Board of Directors. Anders Jöfelt was re-elected as the Chairman of the Board of Directors. The registered audit firm Deloitte AB was re-elected as auditor of the Company, and it was noted that Harald Jagner will continue as auditor-in-charge.

The AGM further resolved that remuneration to the Board of Directors shall be paid with SEK 490,000 to the Chairman of the Board of Directors, SEK 350,000 to the Deputy Chairman of the Board of Directors and SEK 270,000 to each of the other members of the Board of Directors. Remuneration is not paid to Board members employed by the group. Further, remuneration shall be paid with SEK 140,000 to the Chairman of the Audit Committee, SEK 55,000 to each of the other members of the Audit Committee, SEK 63,000 to the Chairman of the Remuneration Committee and SEK 42,000 to the other member of the Remuneration Committee. The AGM further resolved that the remuneration to the auditor shall be paid in accordance with approved statement of costs.

Adoption of a long-term incentive programme

The AGM resolved to adopt a long-term incentive programme in the form of performance-based share options (Share Option Programme 2023) directed to employees within the Smart Eye group. The Share Option Programme 2023 is proposed to comprise of the CEO, senior executives, key individuals and other employees, meaning that not more than approximately 200 employees within the Smart Eye group will be able to participate. Under the Share Option Programme 2023, participants are given the opportunity to receive shares free of charge, so called performance shares.

A prerequisite for receiving performance shares is that the price of the Smart Eye share at the end of the vesting period shall amount to at least 130 per cent of the average volume-weighted price for the Smart Eye share on Nasdaq First North Growth Market during the five (5) banking days following the AGM. The maximum number of performance shares will amount to 580,000, whereby 486,300 shares shall be allotted to participants and 93,700 shares shall be used by the Company to cover social security contributions associated with the programme. In order to enable the incentive programme, the AGM also resolved on an issue of not more than 580,000 warrants directed to the wholly-owned subsidiary JN Data i Göteborg AB, as a result of which the Company's share capital may increase by a maximum of SEK 58,000.

Authorisation for the Board of Directors to resolve on new share issues

The AGM resolved, in accordance with the Board of Directors' proposal, to authorise the Board of Directors, on one or several occasions and with or without deviation from the shareholders' preferential rights, to resolve on new share issues. The authorisation may be utilised for new issues of shares, which may be made with provisions regarding contribution in cash, in kind or through set-off corresponding to not more than 10 per cent of the registered share capital in the Company at the time of the issue resolution. The subscription price shall be determined on market terms and conditions. Deviation from the shareholders' preferential rights shall be possible in connection with future investments in the form of acquisitions of operations, companies, shares in companies or otherwise for the Company's continued expansion. If the Board of Directors resolves on an issue with deviation from the shareholders' preferential rights, the rationale shall be that the Board of Directors shall be able to issue shares in the Company to be used as a means of in-kind payment or the right to offset debt or to in a flexible and cost-efficient manner raise capital to use as means of payment or to continuously adjust the Company's capital structure.
